TEST NUMBERING

[Redacted]

Following the model developed by:

- *UNESCO - CEPES
- *COUNCIL OF EUROPE
- *EUROPEAN COMMISSION

This Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient independent data to improve the international "transparency" and fair academic and professional recognition of qualifications (diplomas, degrees, certificates, etc.). It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It should be free from any value judgements, equivalence statements or suggestions about recognition. Information in all eight sections should be provided. Where information is not provided, an explanation should give the reason why.

Full-time study

Programme requirements

Teaching consists of lectures, seminars, workshops, training, etc. Forms of assessment are tests, oral examinations and course papers. The state final attestation includes the passing of state examination and the defence of qualifying diploma paper.

Theoretical courses – 155 weeks, examinations – 27 weeks, practical training – 26 weeks, qualifying diploma paper defence – 17 weeks.
